MATTERS

The Association of Development Officers is a 501(c)(3) nonprofit organization dedicated to the advancement of fundraising and philanthropy in the Hudson Valley region. ADO achieves this through raising public awareness and interest in philanthropy and charitable giving; following high ethical standards; and providing educational opportunities for those involved or interested in the field of fundraising. **Visit us at www.ADOonline.org**

Proceeds from the Philanthropy Awards Breakfast provide scholarships and support our educational programs and services throughout the year. For tax purposes, the fair market value of the event is \$30 per person; the remainder is your charitable contribution.
